CELEBRATE OUR STUDENTS

Last week Mrs Lenehan, Mr Coggan and I had the privilege of travelling to Sydney with our Year 3-6 students. You have all seen the photos and shared the excitement with your children, so you all know what a great time we had.

When we planned the excursion we hoped that the children would not only enjoy the experience but that they would learn by real life experiences.

And... what learning we experienced! We found out what it was like to live in early colonial times at The Big Dig at The Rocks. We discovered old friends and new at Taronga Zoo, Billy overcame his tendency for seasickness and for many, ‘Matilda’ went beyond all expectations.

Finally, we found out what it was like to be a convict as we dressed, ate and slept(??) like convicts in hammocks at the Hyde Park Barracks.

We were so proud of our students. At each venue, staff commented on the manners and knowledge of the children. I’d like to share this email from our guide at the barracks:

Hi,

Thanks for coming, your school children are so very lovely.

Take care,

Nicole

Meanwhile, the K-2 students (plus a few extras) had an equally exciting and memorable day at Prosser’s dairy and Paddock to Plate. Mr McFadyen, Principal of MHS wrote this:

Just to thank you for your participation in today’s Paddock To Plate day. A great time had by all and congratulate your kids for their behaviour and efforts throughout the day – I’m sure they all learnt something.

Well done.

What more could we ask for than to be part of the lives of these amazing young people!

Have you seen our webpage lately?

If you haven’t had a look recently, then it’s time. Ms Yu has revamped the site. You’ll find new links to newsletters, a calendar and photos and news about our school.

Not only does the webpage look great but, thanks to Ms Yu we now have a JPS Facebook page. We’d love you to post about our school, as you are our best advertisements. Remember to follow our protocols however. Support our school and spread the word by sharing the good news stories.

Stop Press

Watch PRIME News tonight to see the children at Bundarbo.

We’d love the children to come out on Sunday and help promote the school. Just make sure they are dressed in full school uniform and hat.
But wait… there's more. Sydney Excursion

Day 1—Pylon Tour - Years 3/6 went up the Harbour Bridge and what a view we had. We could see the Opera House! The pylons were nothing like we expected. There were lots of facts about the bridge. Like the bridge has three thick coats of paint and it’s 134 metres above sea level!

Day 2—Taronga Zoo—On Tuesday the 4th of November we went on a ferry called the Captain Cook Cruises named after Elizabeth Cook Captain Cook’s wife. We took the ferry to Taronga Zoo. It was amazing. We saw the bird show and the birds were awesome. There was a naughty female cockatoo called Katani. The thing was she wouldn’t go home and because she didn’t go home the bird of prey, which was a condor, with a wing span of 3 metres came out instead of the owl. We also saw the seal show. It was brilliant, but I think everybody liked the bird show better than the seal show. We saw elephants, meerkats, monkeys, lions and lots more animals. We loved the zoo, we appreciate how much time Mrs Lenehan and Mrs McFadyen put in to get Sydney ready.

Day 3—Matilda— Matilda was great! It was about a genius five year old girl with really stupid parents and a horrible principal named Miss Trunchbull. Matilda had magic powers and could move and life things with her eyes! She used them to scare Miss Trunchbull away and she was never to be seen again. Eventually she went to live with her nice teacher Miss Honey and never had to use her powers again.

Day 4—Ding Ding Ding Ding Ding Ding!!! went the bell in the morning at six o’clock at the convict sleepover. We rolled up our sleeping bags put our shoes on and walked down to breakfast. We had homemade English muffins and eggs. I would be a convict any day! Then everyone got their official ticket of leave. We went to the bus and dropped off our luggage then travelled our way back down the travelators and walked to Sunrise Studio. We met Kochie, Sam and Nat. After that we boarded the bus to drive up heartbreak hill and saw Bondi Beach where Bondi Rescue is filmed. Then we went home. We had an awesome time in Sydney!!!!
