Jugiong Showcase

At Jugiong we have exemplary teachers, innovative programs, and motivated and engaged learners. You know this and we want others to know.

Today we showcased our exemplary HOW2Learn program to principals and teachers from schools in our area. Led by Mrs Lenehan we were able to share the success of HOW2Learn and show how it has impacted on the teaching and learning programs at JPS.

Our visitors were so impressed by the confidence of our students when talking about HOW2Learn and how it has made a difference to their learning. They were able to share how they use the ‘The Learning Pit’ to help them overcome the tough times. They also showed our visitors their personalised ‘Learning Pit’ designs.

Thanks Mrs Lenehan for leading us on this incredible journey. It has made a difference to all of us.

Swim School

We’re delighted to have Jessica Sargent is our Austswim teacher this year.

It was great to see how many students in the ‘starfish’ group have improved since last summer and how many students are now at the ‘Stingray & Marlin’ Groups where they will be learning survival skills as well as stroke correction and diving tips from Jess.

Swimming will continue each day until Friday December 4.

Surveys
STOP!!! DON’T SWITCH OFF.

No one enjoys answering surveys but to improve our school we need to gain valuable feedback from our school community.

Two school surveys have been sent home today. The first is about HOW2Learn and the second is about school excellence.
There is also a link to a Young Regional School of Music survey.
